6. [redacted] OPPB, called to say that Jim Oliver [redacted] liaison contact in OMB) referred to my discussion of the Agency's legislative situation at the LIG meeting of 31 August and said that apparently some people in OMB had their noses out of joint because we had not touched base with them. [redacted] asked if I would be willing to talk with Oliver about the matter next week. After talking with Mr. Colby I told [redacted] I would be glad to talk with Oliver, but was not prepared at this point to give him a copy of the package which the Director sent to Dr. Kissinger. We have tentatively arranged for Oliver to meet with us next Wednesday at 2 p.m.
